

Resolution to Support HR 6422 City of Dearborn Heights

Whereas, addressing the inadequate health care infrastructure is needed in our communities, and

Whereas, by not funding and building necessary infrastructure, whether it be in transportation, water, power, schools, broadband, and more impacts every American life is now looming large on the horizon, and

Whereas, House Bill HR 6422, calling for a \$4 trillion National Infrastructure Bank was introduced into the United States Congress by Representative Danny Davis (D-IL) on March 31, 2020, and

Whereas, the bill, if passed, would be capitalized using privately-held treasuries, without creating new federal debt, and

Whereas, it would make loans primarily to state and local governments to build much needed infrastructure in their areas and would create over 25 million permanent jobs, paying union level, David-Bacon wages, and

Whereas, HR 6422 if passed, is written to address infrastructure needs in every single state, urban, and rural area of the country, as well as address income disparities and discrimination in contract agreements,

Let It Be Resolved, the City of Dearborn Heights and the City Council, adopt the resolution to support HR 6422, support the need to build infrastructure, support creating great paying jobs, and support action.
